GlobalSF Women Launch Event 2021

The inaugural GlobalSF Women Launch event will bring together female founders, funders, and allies for an evening of insight, connections, partnership building, and delicious food and beverages. Join our virtual and in-person “Ask Me Anything” (AMA) panel discussion as leading women investors, entrepreneurs, and policymakers explore questions surrounding the critical topic of Money. This impactful conversation will be followed by a reception with experts and service provider “pop ups” designed to maximize learning, resource sharing, and networking.

Funds raised from this event will go directly to supporting the growth of GlobalSF Women, an initiative of GlobalSF that provides essential resources, services, and targeted programming to women entrepreneurs. With your support, GlobalSF Women will work to create inclusive, sustainable, and equitable economic growth in the San Francisco Bay Area. Thank you for being part of this initiative.
